TOHS

As in art, patterns are all important in our everyday lives. Patterns also form the bases of our educational lives. The artist balances colors and composition to form a unique pattern. Similarly, we must balance the educational, social, and physical aspects of school to arrive at the pattern of an individual.

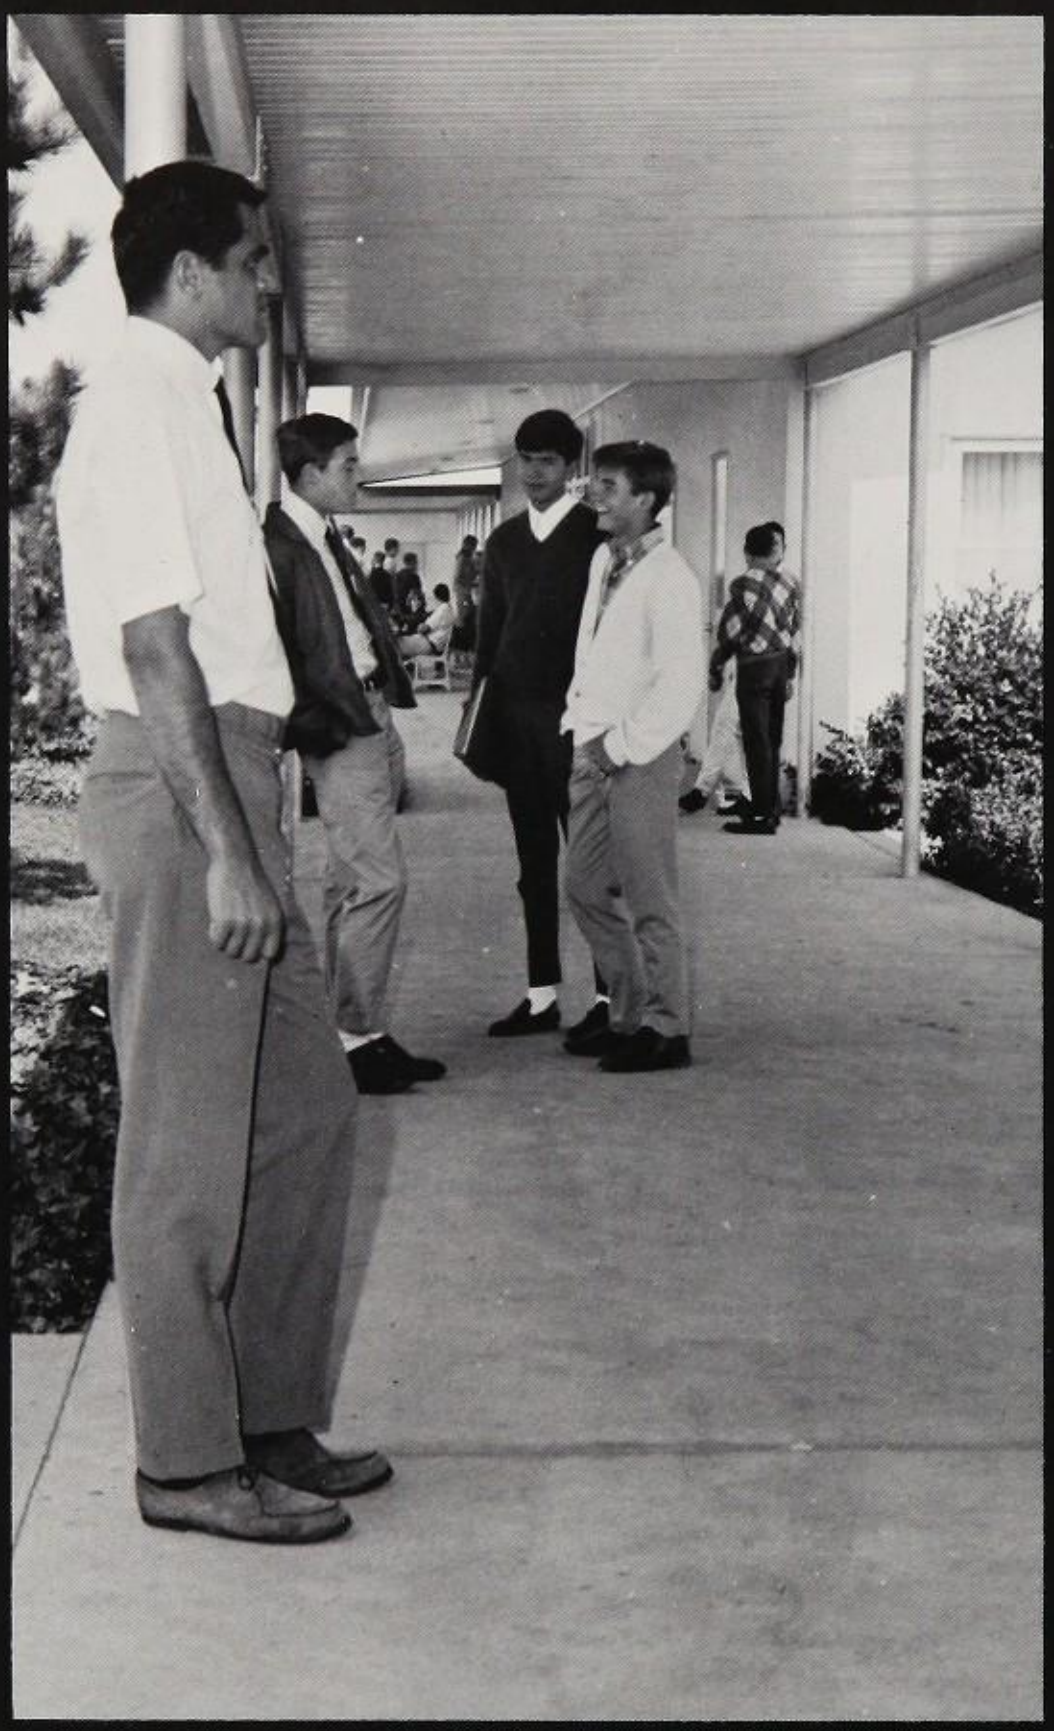
Nowhere is the pattern of an individual student more evident than in his participation in the activities he enjoys. And although he makes himself part of the overall pattern of the school by his participation in its diverse activities, he remains — above all — an individual.

TOHS

TOHS

A prime example of the individual acting to make the whole — in the slamming crunch of a football play, the slap of the volleyball to set up a teammate's slam, the late swimming practice for the water polo squad — individuals forming a team, a coordinated pattern.

TOHS



Each student tries to fit himself into the pattern of his class as best he can. He may be a leader, an organizer, a helper or a follower. But when each has found his place, when the pattern is perfectly balanced, an exceptional class emerges.

In Appreciation to . . .
Mr. Bill Manzer

For the many hours of work he has contributed to TOHS, both as last year's senior class advisor and this year's Student Cabinet advisor, we dedicate the 1967 LANCER LEGEND to Mr. Bill Manzer.

Problems of County's Biggest School Faced and Conquered by Principal Mr. Tom Rosser

At its inception a high school is a veritable kaleidoscope, a shifting mass of ideas, plans and hopes. It is the principal's job to form the shattered glass of school policy and plans into its final, lasting pattern.

Mr. Tom Rosser has proven to be a master at this task. Since he first walked over the barren turf where the high school would stand back in 1962, Mr. Rosser has led the students and faculty through a period of explosive growth which has shot TOHS to the head of other county schools.

The LANCER LEGEND salutes our fine principal for his leadership in forming what we feel is the outstanding pattern of TOHS.

Money Matters Occupy Min of Girls' Vice Principal

Of the many new people who were welcomed to TOHS this year, one was Mrs. Roberta Schoenherr, the new Girls' Vice Principal. She has two of the most important, and thankless, jobs on campus. Besides directing girls' discipline, she is in charge of A.S.B. activities. In her brief year at TOHS she has already gained the respect of all.

Vice Principal Controls Strings of TOHS Sports

Mr. Elmer de Silva has been with Thousand Oaks High ever since the school first went into action in 1962. Not only has he served well in the important job of Boys' Vice Principal, but he has also taken on the demanding chore of supervising the many disconnected activities associated with the school's intra-mural sports program.

Phone Company Welcomes Attendance Officer's Calls

Our man on the attendance office phone this year is Mr. James Moore. Before deciding to chase down wayward students at Thousand Oaks High, he served at Camarillo High School as the head of its history department. One may look to the attendance records as evidence of the fine job he has done.

Counselors work to solve students' problems; Office Staff manages school records, files

Six counselors against about 2700 students isn't very good odds, but somehow the counselors manage. Hearing each problem, complaint, or request a student has is a full time job that requires patience, years of training, and experience.

Aiding the counselors as well as the school is the office staff. These secretaries face new challenges daily as they work to keep the mechanics of the student body and faculty in order.

The UPmost-They Pick Up, Fix Up, Look Up, Lock Up And Cook Up

Today the school relies on a staff composed of men and women whose jobs vary from maintenance to cooking.

A double maintenance crew keeps the buildings and grounds in good condition. Two members of the crew are responsible for making the locker rooms inhabitable seven periods daily.

The cafeteria staff works equally hard to feed hungry students during double lunch hours.

More concerned with intellectual appetities is the library staff which mans both the textbook room and the library.

Adjacent to the textbook room is the audio-visual room where Mr. Gil Speckles oversees all the record players, tape recorders and projectors. He also keeps the language lab running.

Mrs. Mary Fox, the nurse, keeps the students in good repair; she trains her own office help and advises the FML.

And the bus drivers bring many of the students who keep the rest of the staff working.

Events Prepare TO Leaders Of America

Since ancient times, a great fascination with the old has been a common avocation, and it has also been a useful one, for without a complete knowledge of what has already occurred, we cannot avoid past mistakes. Together with an unquenchable curiosity, this subject has attracted many interested students at Thousand Oaks High School. Helping them find answers to their hundreds of questions is the duty of our History Department. Headed by Mr. Manzer, this department unfolds the drama of past happenings combined with events taking place today.

This department also deals with the workings of different governments, and certain critical social problems facing our country today.

Music

A splotch of red paint on an empty canvas, a blob of clay slowly taking shape, the smell of oils and lacquer—all these are a part of an art class. Students not only discover what natural talents they have, but gain a greater understanding into the basic laws that govern art such as the use of perspective and shading.

Also in the artistic realm is the music department. Composing it are various levels of band, glee clubs, choir, and classes in music appreciation. The department as a whole holds a reputation in the district for the honors and awards it has received in the past.

The importance of the wise use of art materials is stressed by Mrs. Shannon.

P.E. Wears TO Students Down, Builds Them Up

Performing a sommersault or headstand correctly or slamming a volleyball over a net—all these require skills that usually don't appear naturally in students. PE instructors improve physical fitness and coordination by putting students in many varied game situations.

For seven periods a day, teachers put students through a period of rigorous activity, building up weak muscles. The groans and soreness that students have at the first of the year give way to great improvements during the physical fitness tests at the year's end.

Swimming was introduced to the students for the first time this year as an elective.

Language, Homemaking Teach Special Skills

The ability to speak another language fluently and correctly expands one's knowledge of other cultures and countries. Most students take advantage of the foreign language program at one time or another.

The skills acquired in one of the homemaking courses prepare girls for the future, whether it be in the home or in a career.

Math Taxes Analytical Ability, Develops Critical Thinking

There is nothing in this world that is not based upon the science of mathematics. It is also a subject which is largely responsible for developing in TOHS students the ability to think critically.

Vernon Powell, head of the mathematics department, and his colleagues have developed a strong sequential program which increases analytical ability as the student progresses through the intricate maze of algebra, geometry, and trigonometry. The math department has the reputation of being one of the best in the district.

Bugs, Chemicals Add To Charm of Science

What is science? Why does a scientist do what he does? What good is science?

These and an infinite number of other questions are asked of Mr. Keith Chartier's Science Department every day. They welcome these questions, for the entire purpose of their department is to guide the students toward the answers. This they do, benefiting from thousands of dollars worth of apparatus, a vast supply of knowledge and an endless supply of patience.

The science faculty know that their role is becoming more important every day, as science assumes a stronger place in our lives.

English Inspires The Pen, Refines Speech

You may look like a million dollars, drive a magnificent limousine and be filthy rich, but the first thing taken into consideration when people meet you is your manner of speech. The English Department, under Mr. Charles Wisuri, makes it their personal consideration that every student at Thousand Oaks goes forth into the world with a firm knowledge of grammar and the rules of proper speech planted in his mind. What can one speak of and write of with this new-found knowledge? The English Department hasn't missed a trick. They also teach of the literature, past and present, of the world's greatest authors.

Teachers Take Advantage Of Any Opportunity To Unwind

Evans Provides Able Leadership

Heading our student government is a difficult job in itself. The ASB President is in charge of maintaining equilibrium in the school through activities and teacher-student relationships. When one adds to that position long hours for studying and the amount of work involved in participating in a sport, the effort put forth by our Student Body president becomes somewhat inconceivable. Rob Evans has succeeded in each of these categories, keeping up his grades, adding strength and spirit to our Varsity Basketball team, and fulfilling the position into which he was elected.

Mayor Dave Betts hands over his gavel to Ron Evans, touring the offices of city government.

As the present school year comes to a close, we, the students of Thousand Oaks High School, are able to look back and see that each of us has gained knowledge, experience, and maturity. In the coming years we must use that which we have gained here to the betterment of our lives. Our memories at Thousand Oaks will be treasured and many of our achievements shall become traditions. We shall all look back upon this year as a prosperous and enlightening one. Thank you and good luck to all of you and to Thousand Oaks High School.

The Student Council and Inter-Club Council culminate their year's activities with joint sponsorship of County Fair Days, during which students and teachers alike turn hayseed. Both organizations are charged with coordinating the activities of students and organizations. The Council passed a resolution to form a student court in which students violating school regulations would be judged by their peers.

Also planning for the future, ICC took charge of distributing needed money for clubs and classes for the new Newbury Park High School.

Annual Staff Labors To Produce TOHS Yearbook

Ignoring such petty obstacles as deadlines, the 1967 **Lancer Legend** staff came up with what it feels will be a treasured souvenir for many years.

The harassed editors — slogging through thousands of pictures and hundreds of reams of copy — added further torture to their lives by designing the modern art format and patterns theme which is followed throughout the current edition of the **Lancer Legend.** The result, the staff feels, was worth the work.

Clubs Strive To Serve Needs Of Students

Before school and during lunch, the Student Store is open, selling school supplies and novelties. In conjunction with FBLA, the members who operate the store learn about merchandising and sales techniques..

The 1966-67 year marks the second year of TOHS' service club, the Lanceteers. The Lanceteers have branched out to serve not only the school but the community as well. The Thousand Oaks Chamber of Commerce honored the girls by making the club a member. The girls in their green weskits, berets, black skirts, and white blouses have become a familiar sight around both campus and community.

Boys' Fed, Girls' League Promote Activities At TO

Girls' League and Boys' Federation strive to improve girl-boy relations.

Beginning the year with their annual fashion show, Girls' League sped on to many active months. October marked their convention, attended by girls from Ventura and surrounding counties. In conjunction with Boys' Federation, Girls' League sponsored the Backwards Dance.

Competing with the girls, Boys' Federation held their assembly showing surfing films. Selling programs during football season and sponsoring a sports night and car wash were among their fund-raising projects.

In an attempt to further artistic appreciation and ability, the Art Club rooms are open daily after school. Members frequently go to the room to work on such projects as painting and sculpture. To earn money for supplies and excursions, the Art Club painted murals and posters for various activities on campus.

Another professional career, teaching, requires much preliminary preparation and experience. FTA helps students acquire this experience through actual practice. Field trips during the year enable the members to observe teaching methods.

SWIC (Students Will in Common) and PGP (Progressive Government Party) appeared during the close of student body elections of Spring 1966. Their mutual objectives were to create school-wide interest in the elections and to initiate changes in school government by providing a definite platform for each party. Political conventions were held during which each party's candidates were elected and heard. This year the parties made some changes in school government such as introducing student court. In May, the parties rise to full strength as they work to get their candidates elected.

California Scholarship Federation is a statewide organization open to students of high academic achievement. Each semester the club opens membership. During the course of the year, CSF sponsors a book sale and other fund raising projects in order to give a scholarship at the end of the year. Two field trips, one per semester, are taken by the students during which they visit a cultural or educational center and then see a movie.

Four Groups Support Publication

To publish freely is a cherished American ideal. To this end the journalism class and the Press Club publish and support the publication of the school newspaper, the **Lancer.** The Literature Club edits and prints **Reflections,** a magazine of original literary and art work of our students. **Individualistic View-Point** presents candid opinions of the student body and provides a forum for political parties during school elections.

Twirlers, Lancer Band Strive for Complete Perfection

Under the direction of Mr. Hellerstein and drum major Diane Tooker, the Lancer Band put out another year of entertaining half time shows, parades, and concerts. Marching on the football field in their green and gold uniforms, the band played songs from musicals like "My Fair Lady" and other popular arrangements. Tying in with the Homecoming theme of "Olé", the band presented a special program with the music of the Tijuana Brass. Adding a flair of Mexico were the flag twirlers in their interpretation of a bull fight.

The Camarillo Christmas parade was the major parade for the Band this year. Diane Tooker took second place in drum major competition.

Barbara Robinson, the only band majorette, has won many prizes in twirling in competition all over Southern California.

Of Homecoming

The traditional practice of the varsity football team selecting the TOHS Homecoming queen was broken this year as the student body turned out to the polls to select favorite choices. Chosen as queen was Kathy McGrath. Princesses in the queen's court were Patti McKee, Pam Droney, Deanna Dixon, and Barbara Duncan.

Homecoming Means Work, Fun And Memories

Fiesta spirit, wide skirts, and broad-brimmed sombreros were a common sight in "Old Thousand Oaks", as the Lancers got ready for Homecoming 1966.

With OLE as its theme, Homecoming began with an early morning parade on Thousand Oaks Boulevard. Later came the game and the highlight of the occasion: the crowning of Queen Kathy and her court. The day was completed that evening at the Homecoming dance, amid red roses and sparkling fountains.

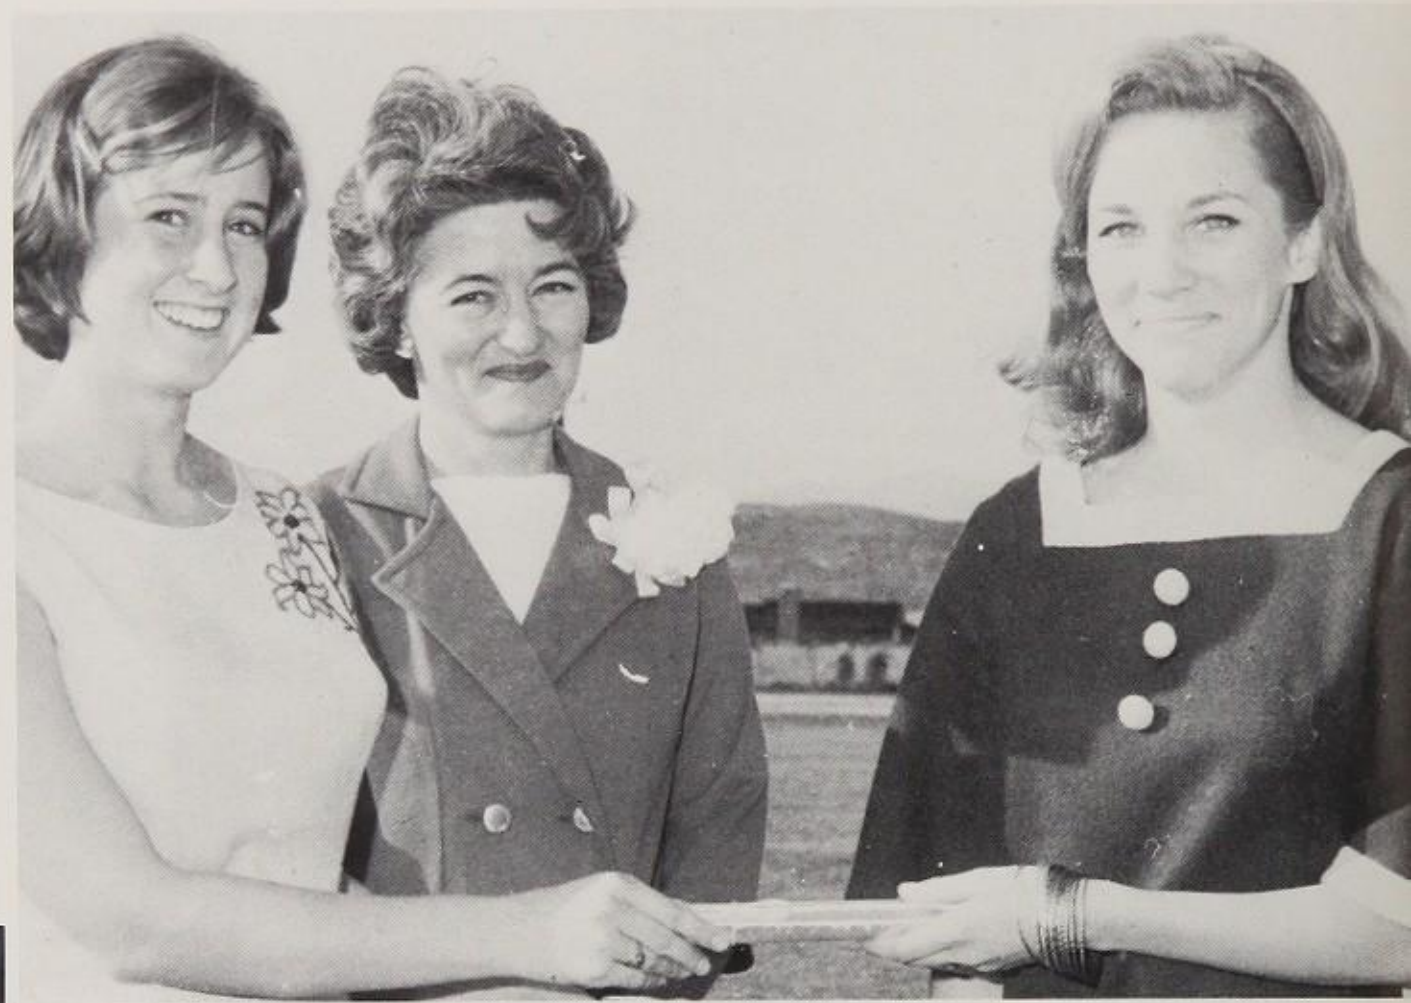
Spirit Means Many Things To Many People

What is Spirit?

It is an overcrowded rooter's bus grinding off into the night, full of shouting, laughing students. It is a cheerleader turning a cartwheel, a songleader concentrating on an intricate pattern, it is a thousand students attending a game in the freezing cold.

Spirit is the driving force on any campus, the difference between a merely good school and a really g r e a t one. Thousand Oaks' never-flagging spirit has served to elevate it, giving the Lancers a name for student participation.



Jane Boltinhouse and her mother beam with pride as Jane accepts her award as Senior Girl of the Quarter from Girls' League President, Judy Lewon.

Daily classroom drudgery is broken by an enthusiastic piano act presented by Mr. Felix DeCola.

This year's Pep Squad helped boost spirit and enthusiasm at games and rallies.

Spirit is not only attending games and activities, but working behind the scenes to make those events what they are.

Mr. Williams demonstrates what good faculty participation we have here at TOHS by submitting to slavery during spirit week.

Lancers will endure anything to see their teams play.

Debbie Iglehart receives good news as various cast members look on.

Take a group of enthusiastic juniors, hand them a funny play, and watch them start to work. The end results of their play, "Harvey", were seen by large crowds on November 3, 4, and 5.

Jeff Spencer took the lead role as Elmer P. Dowd who had a peculiar friend named Harvey, an invisible six foot tall rabbit. Invisible, that is, to everyone but Elmer. Apparently the family, played by Carol Brosgart and Kathy Howe, thought he was a bit crazy and throughout the play tried to have him committed. Confusion mounted when Carol Brosgart, Elmer's sister ended up in the institution by mistake after being subjected to just a bit of "roughing up" by Jay Fisher, the hospital guard. One thing led to another with Harvey popping in for an occasional invisible appearance until all the players resolved to let poor Elmer alone — and Harvey, too.

In Bustles Or Bell Bottoms

The raucous sounds of a rock band make the walls of the gym tremble as another dance gets under way at Thousand Oaks High. Capris, bellbottoms, sportshirts, cords and loafers are all part of the pattern at these after-game hops or sports nights.

For that something special, however, the mood is somewhat more serene. Dreamy music and an elegant setting form the backdrop here, while bright corsages, flowing gowns, tuxedos, and dinner jackets replace the more conventional modes of dress.

Dances this year included all types, from the Prom to Dogpatch Days. But whatever the mood, these dances provided a welcome break from the daily grind of study and homework.

Cowardly Lion Makes Crowd Roar In Seniors'

"The Wizard of Oz" proved a great choice for the talent-packed senior class. Cheryl Davis gave a wonderful portrayal of Dorothy, a young girl who was carried away to the Land of Oz by a tornado. Ironically enough, Bob Bruschi made everyone feel a twinge of sympathy for a cowardly king of beasts. Among others, Mike Richards as the Scarecrow and Steve Simmons as the Great Wizard, gave outstanding performances.

Exchange Students Spread Friendship

My year here in America has shown up not so much the differences between here and South America but rather the many, many similarities. I have learned and seen much here, but I think Thousand Oaks High School is number one on my lot. The kids and faculty have so overwhelmed me with their spontaneous friendliness that right from the start I was left little hope of reciprocating it in equal measure. I know that when I leave, I will miss strolling into class without a tie . . . and above all the many friendly "Hi's" which met me as I walked down the halls and made me truly feel at home.

There can be no avoiding the fact that the Lancer 1966-67 football squad had a disappointing year. The record of wins and losses however, does not tell the whole story.

Despite their disadvantages, the Lancer football team gave every spectator his money's worth, and provided another good season of Lancer football.

The season started with a pair of non-league games, both of which the Lancers lost. After falling to a powerful Palmdale eleven, 13-0, the Lancers suffered the same fate against Alemany on the following Saturday, 13-6.

The next game was a suspenseful one right to the last gun as the Lancers were narrowly edged by the Cougars of Ventura High, 13-12. But the Lancers bounced back to hand Simi High a 14-6 defeat.

As Fortune Plunge, Lancers Try Harder

The Lancers journeyed to Santa Barbara High the next week for a battle with the most formidable team in the Channel league. The Dons defeated the Lancers, 41-6. The Lancers next met their traditional foes from Camarillo High. The Scorpions, thirsting for revenge for last year's defeat, got it 19-0. For a while it appeared that the Lancers might win their next battle against the Yellowjackets of Oxnard. The first half was a real slugging match as the Lancers traded touchdown for touchdown with the Oxnard squad. The second half saw the Oxnard team fire up and take the lead, which they never relinquished. The final score was 46-25. The Lancers were foiled on their search for victory as the Buena Bulldogs gave them another defeat 25-0. The last game of the season, the Lancer homecoming, was spoiled by Hueneme, 13-0.

JV, Frosh Gridders Promise Quick Return

Lancers 14, Palmdale 0; Lancers 26, Ventura 0; Lancers 10, Oxnard 0. These were some of the lopsided tallies that appeared on the scoreboard as the Lancer Junior Varsity team took to the field for their 1966 season. Losing only two games (to Santa Barbara, 18-0, and Camarillo, 34-0) and tying one game with Alemany 6-6, the Thousand Oaks J.V.'s placed second in league standings. With few injuries to sap their strength, the Lancer J.V. line held back opponents and also opened holes for the speedy backs. Guided by Bill Shaw, the J.V.'s tallied up a season's total of 119 points.

This year's Freshman football team had one of the best Frosh season records. Winning four games in a row is not an easy job for any team, especially against such opponents as Hueneme (19-0), Santa Paula (20-0), Camarillo (33-6), and Rio Mesa (28-0). The sole Freshman loss, to Oxnard, was a heart-breaking one, as the team fell by only a 6-0 score. They were partially revenged, however, as under Don Shotliff and his expert crew of coaches, they roared back against arch-rival Camarillo, handing them a 26-0 drubbing.

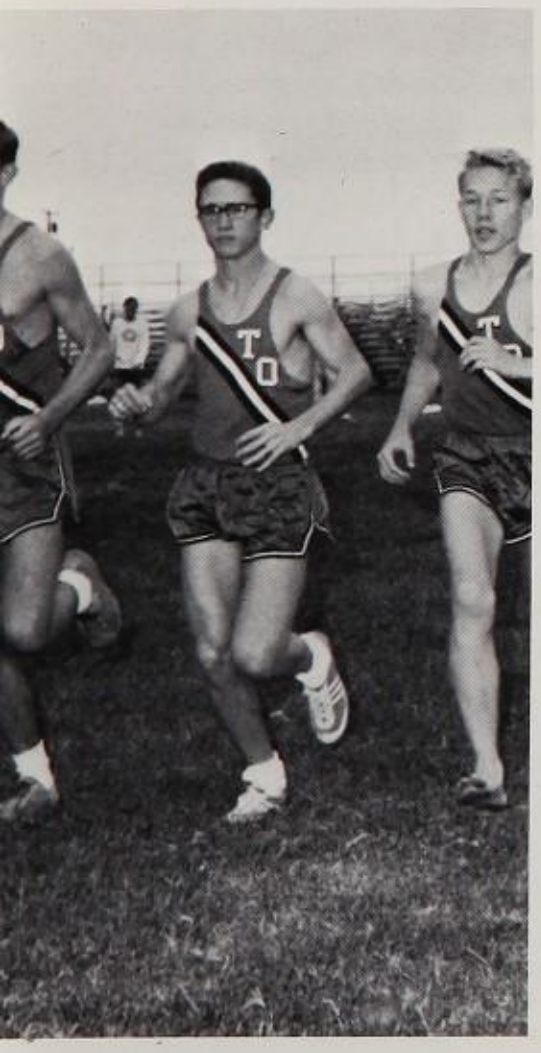
Despite a dismal season, in which they suffered eight losses without a win, the varsity cross-country runners were looking optimistically toward the next year of competition. Back for the 1967-68 season was high point man Bill Parsons. And the Junior Varsity (5-3) and Frosh-Sophomore (7-1) teams both posted winning seasons in their initial campaigns in the tough Channel League. Coach Ron Stillwell was looking forward to strong performances next year from such runners as John Agnew, up from the JV's, and Mario Vargas and Jim Wilson, both up from the Frosh-Sophomore squad.

TRAINERS: Butch O'Brien, John Jones.



The Varsity opened the season by losing a tight meet to Rio Mesa, 32-28, and bowing to Channel Islands, 36-22. In cross-country competition, the team with the lowest score wins. Traditional rival, Camarillo, edged the varsity harriers, 33-25, as they opened their Channel League campaign, and Oxnard raced to a 36-19 win. The TO runners nearly upset Ventura, 32-27, before being handed their worst defeat of the season, 40-15, by Santa Barbara. Closing out the season, the Lancers were defeated by Hueneme, 38-19.

T.O. Basketballers Meet Tough Opposition; Look For Strong Support For Next Year

The Lancers assume an unusual position for basketball players as they search the court for Rob Evans' contact lens, lost during Simi game.

The Lancer Cagers' first season in the Channel League was an awakening one, as they finished with a league record of 2-12. Mike Kohl set a season's scoring record of 369 points, and the combination of Kohl and Alex Sinczewski broke the 1-2 scoring record. Thousand Oaks had two able centers, Mark Ballinger and Rick Dyess, both 6'5" seniors. Dave Ormsby was valuable on the boards, and Rob Evans' quick hands contributed to the Lancer defense. Returning to the varsity next year are Karl Torgerson and Tim Rubald. Both the B's and the JV's had excellent seasons, and T.O.'s future looks bright.

The J.V. basketballers surprised everyone in the tough Channel League by finishing with a winning season. Paced by Nick Candella and Mike Donahue, Coach Fisher's Lancers stayed near the top the whole season. Dave Pearson and Jeff Schlecht contributed both fine board play and consistent scoring. Other outstanding performers were Mike Cleary, Jonnie Martin, and Bill Jones. Enthusiastic crowds always attended the J.V. games, enjoying the hustle and spirit of the team.

"B's" Just Miss League Title

Mike Kohl puts up another shot.

The "B" Cagers had a tremendous season in '66-'67. The Lancers finished all alone in second place with a 12-2 league mark and had a 16-5 over-all mark. Led by the scoring of Link Forte and Mike Galvin, TO conquered almost every opponent it faced. Mark and Gary Adams and Ralph Lucas were the men on the backboards for the "B"s. The crucial game of the year, and decider for the championship, was against Ventura. The Lancers lost by only 3 points.

After mowing down all Frontier League competition last year to grab the loop championship, the varsity baseball team turned its eye this year toward the Channel League. Under Coach Merrill, the varsity had knocked off all its early season competition, before beginning league play. The Lancer JV and Frosh Baseball teams were eager to continue their fine records of past years. The JV's again had a strong team and looked to repeat their league title. Coach Lloyd's freshmen started the year out well, and should provide the Lancers with future Varsity titles.

VARSITY WRESTLERS: Row 1—Jim Sabolos, George Webb, Raul Rodriguez, Steve Salamone, Ken Morgan; Row 2—Howard Scott, Gary Oliver, Steve Clark, Don Hanson; Row 3—Jim Hall, Bob Bruschi, Harry Hedlund, Jose Fierro.

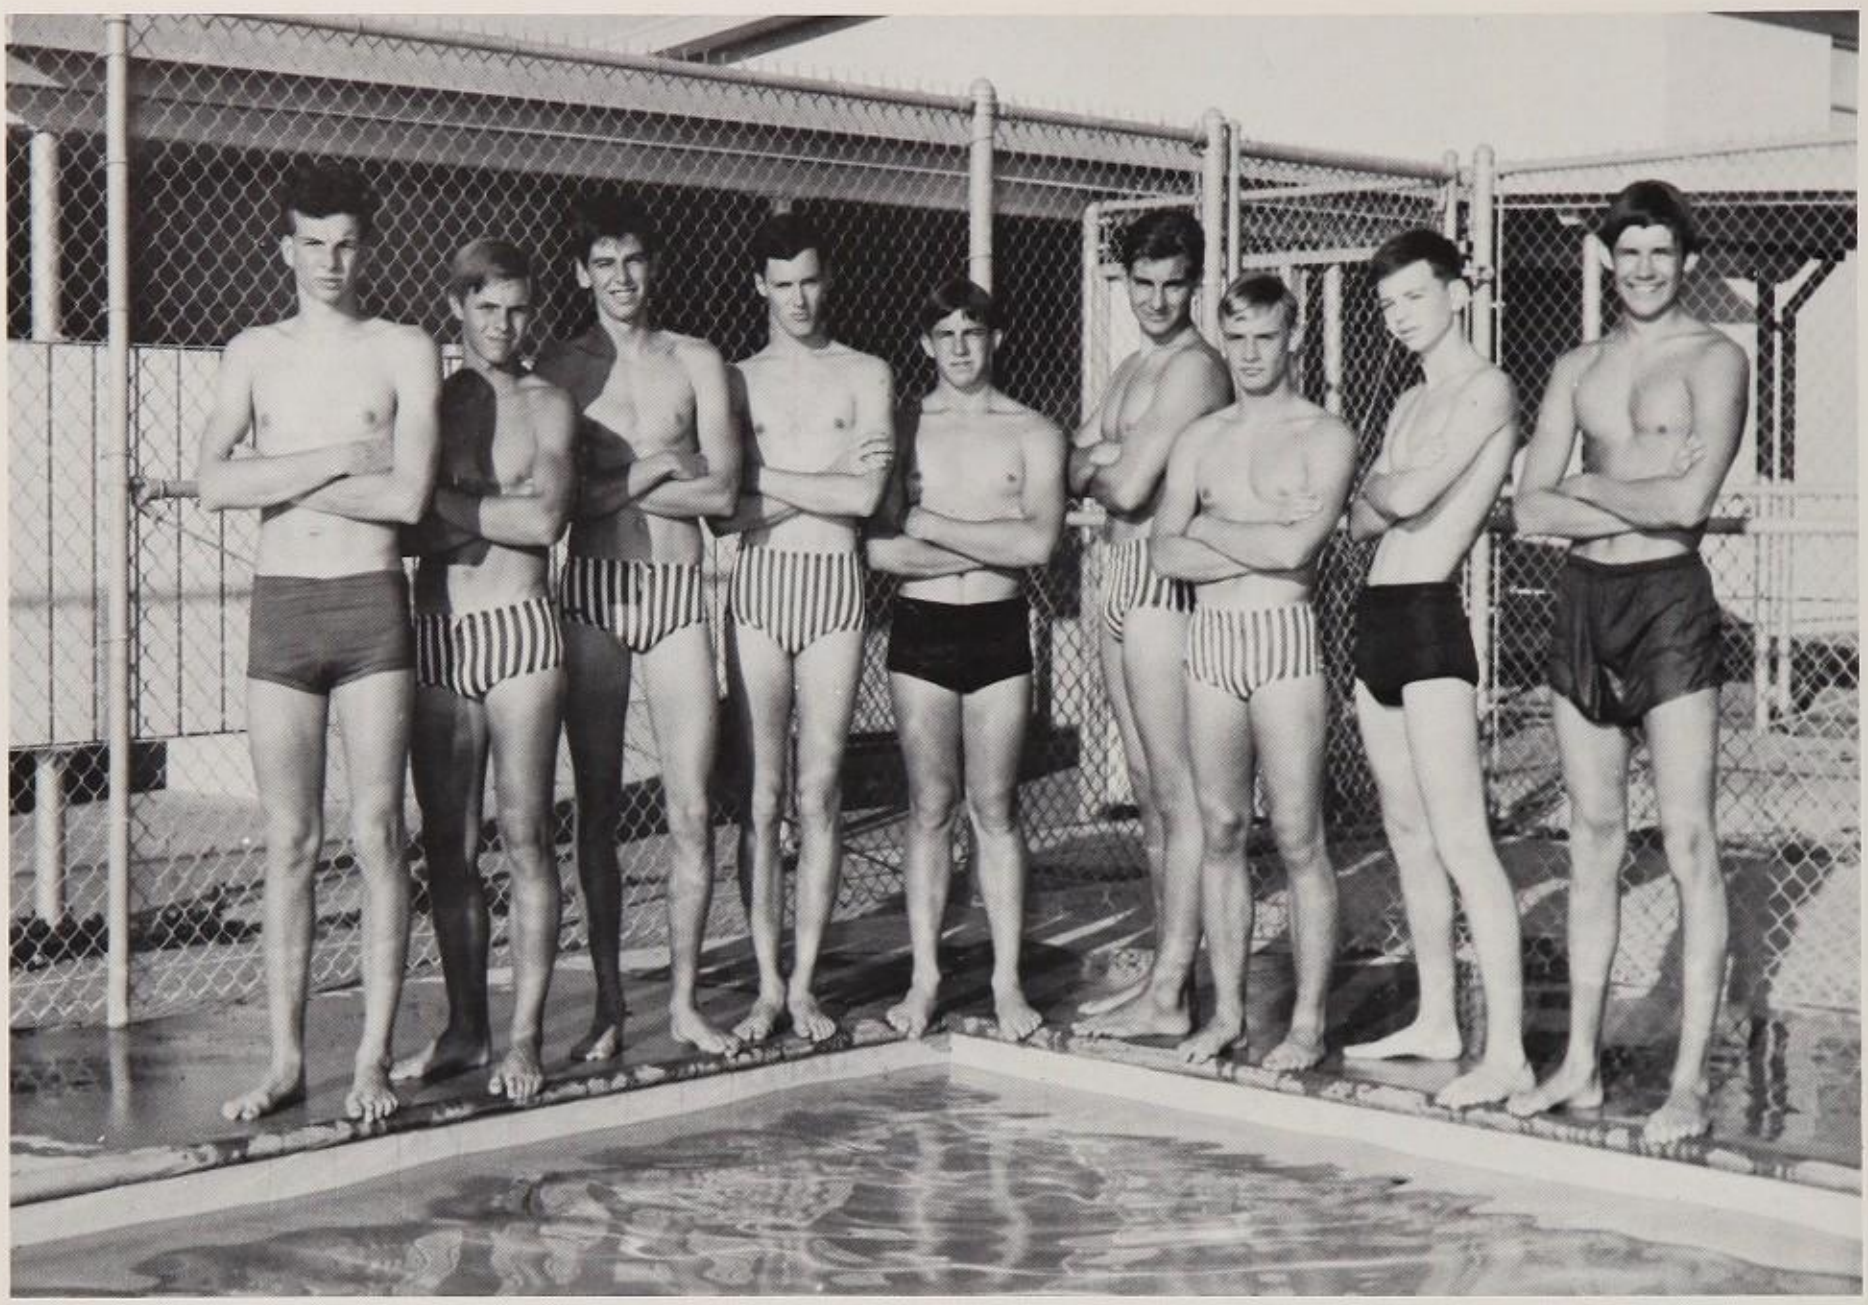
Varsity Wrestlers Pin Down First Channel League Title In Any Athletic Competition

The Varsity wrestlers, under Coach Loretta, brought TOHS its first Channel League championship in any sport this year, tying Hart High for the title. In addition to their fine finish, the varsity qualified seven grapplers for the C.I.F. meet, while the J.V.'s placed nine men in their tournament. Behind undefeated senior Steve Salomone, voted outstanding wrestler of the Channel League, the varsity piled up an 8-2-1 record on the year. Also tough for the Lancer wrestlers were George Webb (9-2), Ken Morgan (9-2), and Bob Bruschi (9-2). Senior Steve Langlois anchored the J.V.'s with a 9-0 record.

Coach Loretta gives a few pointers to wrestlers.

SENIORS: George Webb, Steve Salamone, Steve Langlois, Monty Roper, Bob Bruschi, Jim Kennedy, Jim Hall, Don Hanson, Steve Clark, Raul Rodriguez, Quentin Eckman.

J.V.'s: Row 1—Pete Rosales, Cecil Puente, Tom Schembri, Dan Rodriguez, Bill Parsons; Row 2—Kent Gallimore, Pat Peppito, Gary Bergman, Clay Clark; Row 3—Dan Davidson, Bill Krueger, Stan Mansfield.



SENIOR SWIMMERS: Dave Sunstrum, Timothy Casey, Steven Miller, John Claus, Charles Rainwater, Randall Scuria, Dan Pierce, Michael Schelgel, Bruce Robertson.

Lancer Swim Team Inaugurates New TOHS Pool-Shows Promise For Future Competition

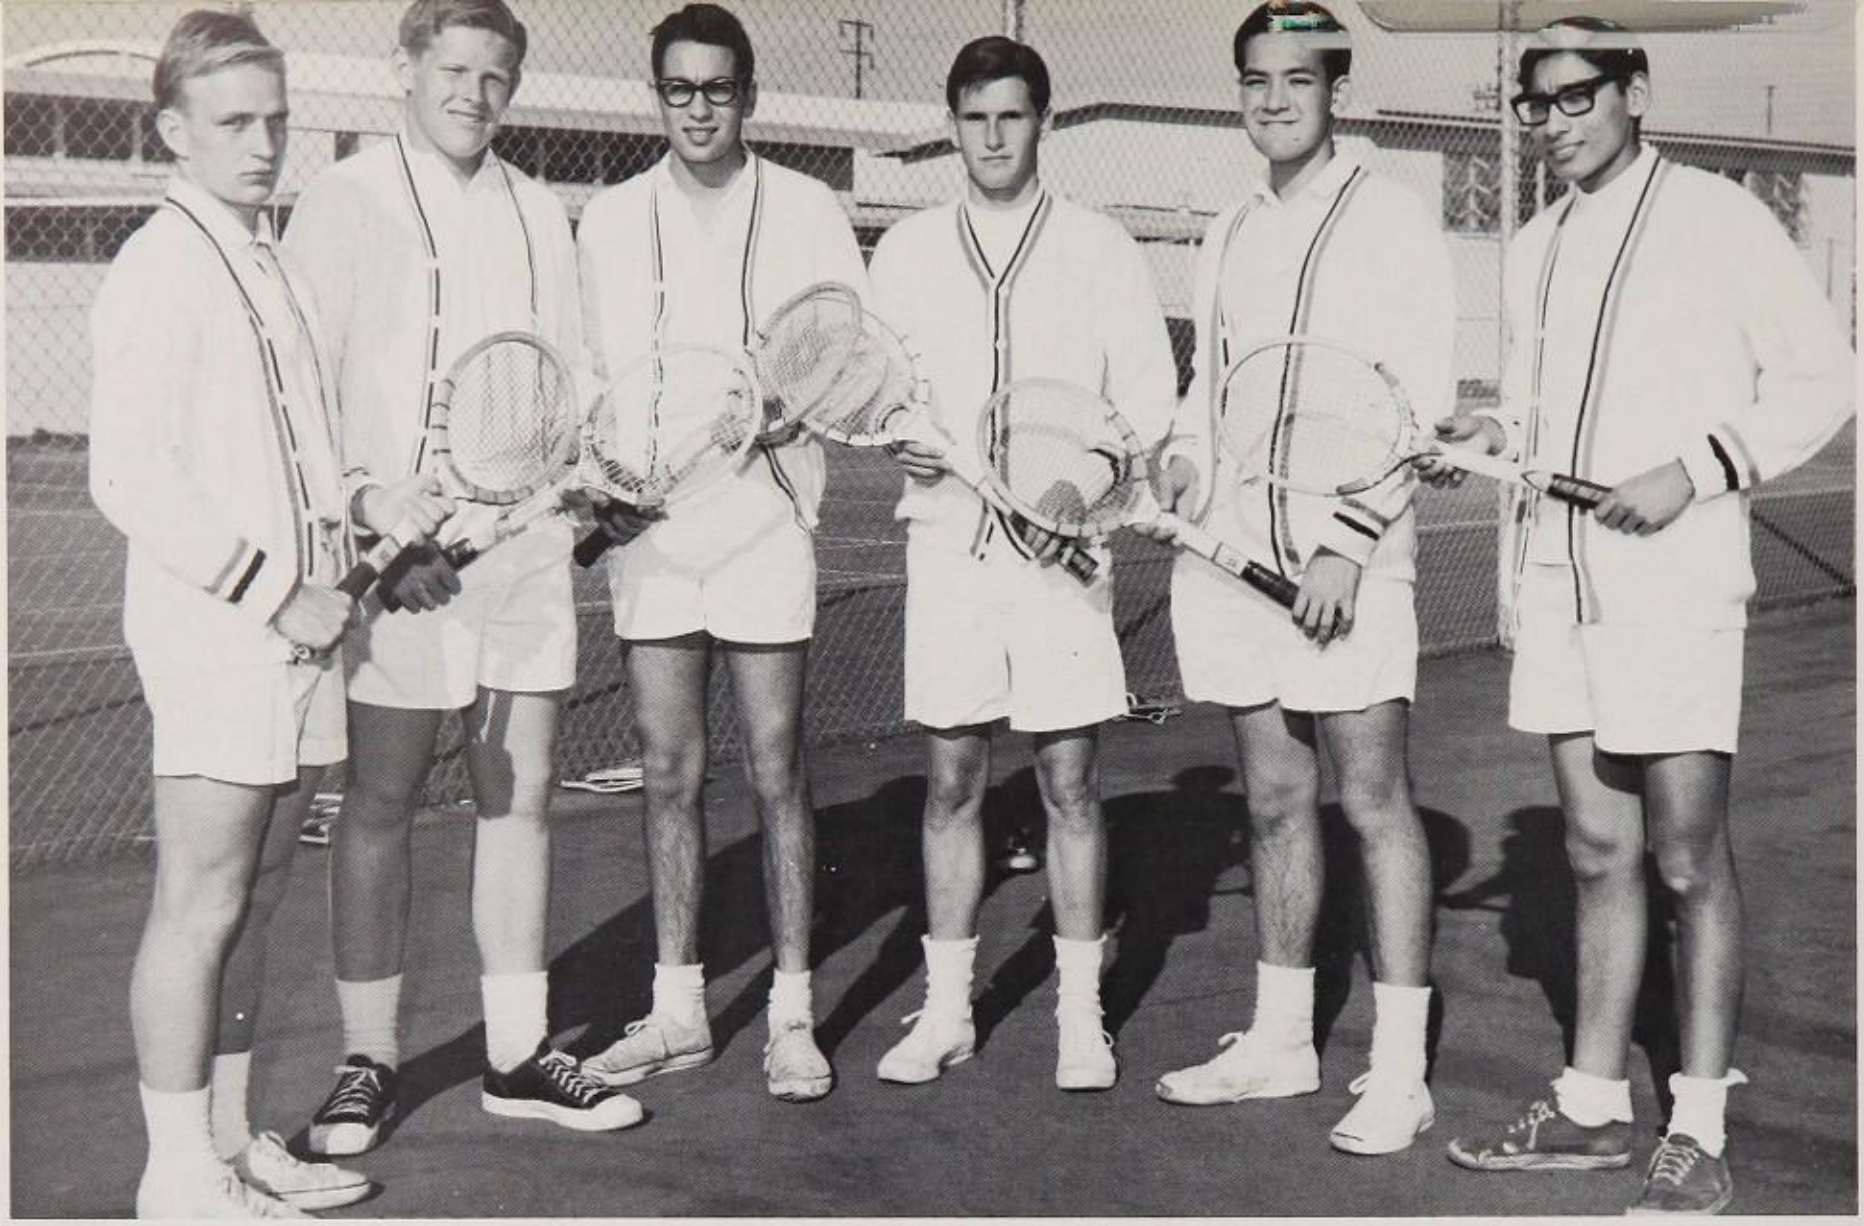
"A" SWIMMERS: Row 1—Dave Sunstrum, John Claus, Timothy Casey, Randall Scuria, Mike Mayotte, Steven Miller, Rusty Geller; Row 2—Timothy Killgrove, Mike Achenback, Fred Adler, Charles Rainwater, Robert Brooks, Michael Schlegel, Bruce Robertson, Steven Harper.

Coaches Owens and Williams

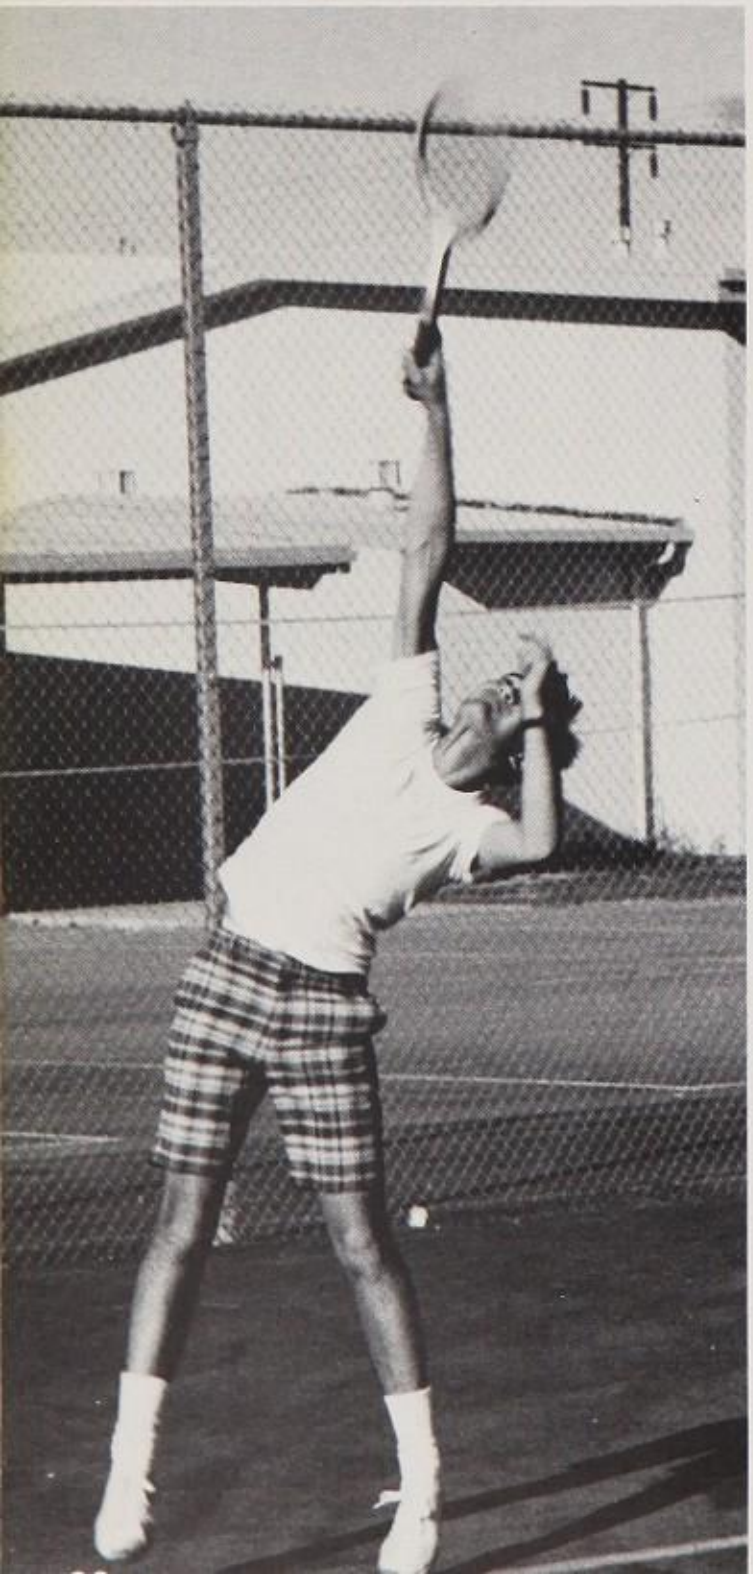
"B" SWIMMERS: Row 1—William McCombe, John McGrath, William Roberts, Charles Nelson, Ross Quinn, Mike Dunn, John Fisher, Judson Krueger, Mark Holmes, John Cobb, Kurt Degner; Row 2—Michael Eppinger, Bob Eichholz, Tim Sturm, Joseph Vasquez, Glenn Miley, Jimmy Whitesell, Dan Pierce, Robert Hayler, Abel Padilla, Chris Vender.

Thousand Oaks again showed its tremendous growth this year by adding a swimming team to its athletic curriculum. Under the coaching of Dale Owens and Doug Williams, T.O. won its share of meets and beat schools with more experienced squads. The varsity was led by the swimming of Dan Fallon and Randy Scuria and the diving of Chuck Rainwater. Outstanding "B's" were Bob Davis, Rod Scuria, and Bob Hayler. Prospects are bright for future years since the Lancer team is one of the youngest in the league.

"C" SWIMMERS: Row 1—Albert Thomas, Kent Gallimore, Scott Davis, William Alger, Richard Wormsbecker, Gary Quinn; Row 2—Kevin Wittig, Rick Dillingham, Martin Hillila, Alfonso Fierro, David Swenson, Rodney Scuria, Ken Morgan, Paul Sternburg.



SENIORS: Paul Tomor, Ken Benson, Mike Waters, Jay Hoard, Marvin Monk, Len Vasquez



TOHS Tennis Team Hopes For Another Title In New League

Unable to defend their Frontier League title this year because of the change in leagues, the tennis teams were eyeing a repeat performance in the stronger Channel loop.

Coach Musella, putting in his second year with the teams, looked for strong performances from Randy Buth, a clutch player for the last two years, and Marvin Monk, a good steady netman.

Also expected to provide strong competition in the new league were Len Vasquez, Kaoru Yokota, a promising sophomore, and freshman Dennis Broersma.

TENNIS: Row 1—John Toner, Len Vasquez, Kaoru Yokota, John Boersma, Steve Liebling, Dennis Boersma; Row 2—Jim Iglehart, Paul Granger, Ken Benson, Mike Waters, Jay Hoard, Marvin Monk, Paul Tomor, Rick Smith, manager.

Cindermen Face Challenge; Compete In Tougher League

Featuring a number of strong performers, but lacking in depth, the TO varsity track team was faced with a struggle in the Channel League.

The cinder men were paced this year in the sprints by Tim O'Malley, who took both the 100 and 220-yard dashes against Hueneme High in an early season clash. Rick Dyess and Rob Evans, back from the basketball team, were consistently around the six foot mark in the high jump. In other field events Rick Delmarter and Sherm Olmstead held their own in the shot put, while Evans was a contender in the pole vault.

SENIORS: Row 1—Ken Young, Neil Stewart, Fred Andree, Butch O'Brian; Row 2—Rick Delmarter, Tom Alvey, Bob Spaniel.

VARSITY TRACK: Row 1—Butch O'Brian, Rowland Fisher, Sherman Olmstead, Tim O'Malley, Earl Arterburn, Rick Delmarter, LeRoy Diotte, Robert Peters; Row 2—Ben Baier, Dave Baumbacl, Russ Crowell, Dan Davidson, Ken Morrill, Jerry Droney, Robert Newton.

Charlie Groven and Tim O'Malley work to improve their block starts.

Sherm Olmstead gets off a practice put.

"B" TRACK: Row 1—Dan Langlois, Mike Van Hooser, Ken Young, Jeff Carroll, Fred Andree, Gary Payne, Gary Oliver, Charles Odorfer, Alex Bohlmeijer, David Algranti, Jerry Kraus; Row 2—Dave Wender, Charles Groven, Gary Randolf, Neil Stewart, Tom Alvey, Eugene Hill, Bob Alcaraz, Bill Krueler, Dennis Meade, Jim Brand, Greg Herzig, Bob Spaniel

"B" and "C" Track Prospects Bright

The TO "B" and "C" track teams, packed with enthusiastic varsity candidates, began the year looking like potential Channel League Champions. Garry Payne, "B" distance man, had developed enough already to challenge other varsity runners in the two mile event. While the varsity was having its troubles in an early meet against Hueneme, the "B's" won their class 55-40, and the "C's" rolled over their opposition 68-18. With a number of talented track men waiting in the wings, TO's track future looks rosy.

Tom Alvey grimaces as he nears the bar for the highjump.

"C" TRACK: Row 1—Steve Growney, Mark Gonzales, Dave Theobald, Greg Sanders, Dan Ramsey, Kent Frame, Ken Rolston, Bruce Dunkle, Craig Brizendine; Row 2—Tim Growney, Paul Kuethe, Mike Fox, Paul Dietrich, Terry Scott, Bill Hansen, Steve Fish, Steve Cameron, Kent Frame; Row 3—Robert Enderson, Dan Krite, Greg Brizendine, Don Mifiert, Mario Vargas, Kim Oliver, Tom Aldrich

GOLF: Coach Paumer, Jeff Spencer, Jim Fisher, Randy Tennyson, Bill Quick, Pete Moebius, Rick Patrick, Steve Emerson; not pictured: Fritz Naumetz.

Behind C.I.F. Title Holder, Strong Golfers Promise Threat To Any Linksmen In League

Despite several close early season losses, the TO golfers looked optimistically toward a strong finish in the Channel League. Led by returning C.I.F. champion Fritz Naumetz, and consistent linksmen such as Jeff Spencer and Jim Fisher, the seniorless golf team provided a threat to any other in the league.

Senior Class Title 'Centurions' Symbolizes Unusual Leadership Ability Of Class Of '67

An artist begins with a subject. In this subject—as does a student in school—the artist must find values, ideals and goals. From this information he then determines how the subject fits into the pattern of society.

The Centurions of 1967 have contributed their talents and energies to create an outstanding pattern for others to follow. With athletes such as Brad Baier, Mike Howard, Mark Ballinger, Ev Mackey and Rick Delmarter leading the way, TOHS has set high standards of athletic achievement. Our cheerleaders and songleaders, with their pep and enthusiasm, have set a high goal to reach, and have caused spirit to ring throughout the school. Lene Holland, Donna Persing, Kerry Denman and Jane Boltinhouse have demonstrated their abilities, and have been chosen Girls of the Quarter. Centurions have also demonstrated their academic abilities. Carrying the scholastic banners of TOHS are Jeff Wharton, Bonnie Severy, Kathi Bell, Laura Mullaney, Rob Evans and Bob Nelson, semi-finalists in National Merit Scholarship competition. Sue Thomas, our student abroad, has also helped spread the name of the Class of '67 afar.

We started as a freshman class of 435 students, and have grown to a boisterous 678. Our current leaders —Bob Nelson, president; Sue Crandall, vice-president; Mary Strand, treasurer; Sandy Blackburn, secretary; and Tony Mikkelson, sgt.-at-arms—have continued the tradition of success in our class.

The name "Centurion," originally given to Roman military leaders, symbolizes the leadership capabilities of the members of the class of '67. It is a class whose pattern will remain for a long time at TOHS.

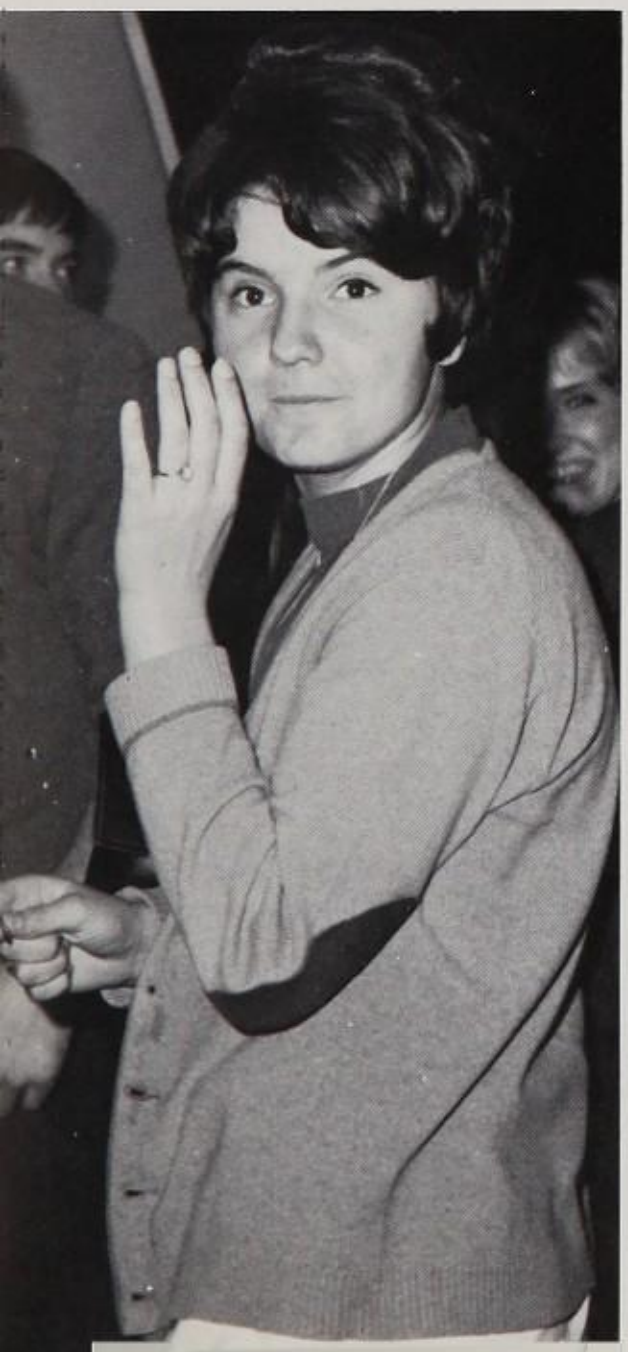
"It's no use. We'll have to buy new goalposts."

"Nobody told **me** this was a formal dance!"



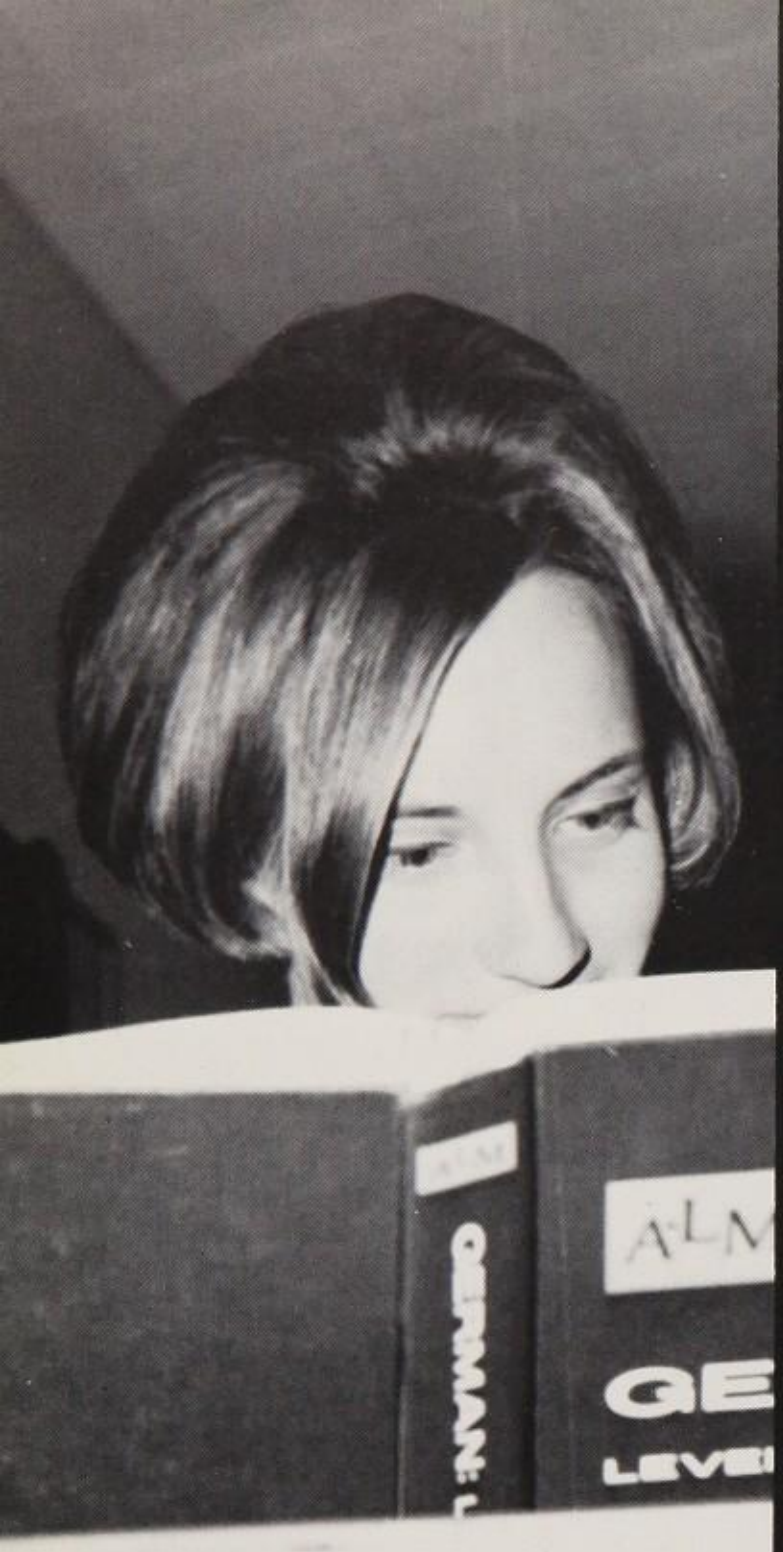
"What's new, pussycat?"

Spirited Seniors Get Together For Laughs

"So it looks stupid—it's better than lung cancer!"

Two contenders in the Grand National Patty-Cake championships.

"Oh! It's you, Jane! Have **you** seen my glasses?"



Mary Libby, Rory Dunbar,, Sharann Johnson, Geoffry Wharton

Top scholars in the senior class, these students set the standards for all classes to follow. They are not, by any means, bookworms. All are active, admired, popular.

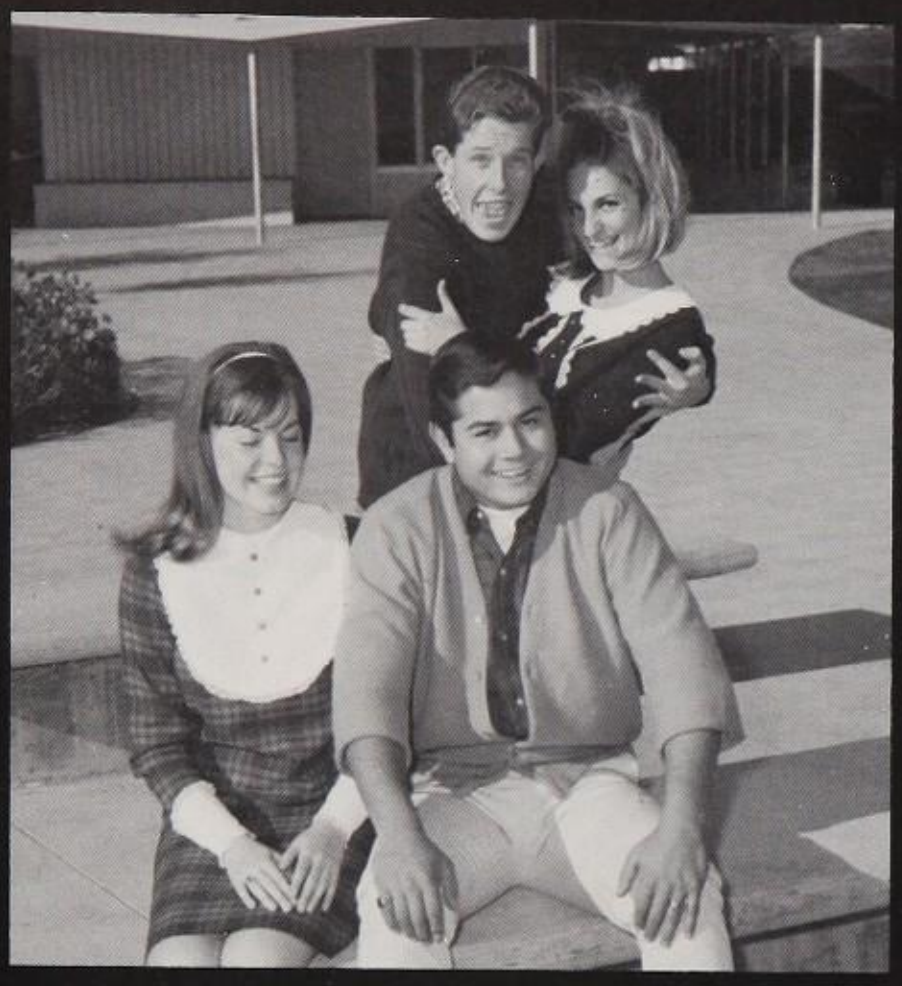
Seniors Select The Best At Thousand Oaks



From the rank and file of every high school senior class, there arises a few people whose talent in a particular area causes their fellow students to sit up and take note.

Such are the twenty-two seniors depicted on this page.

For these twenty-two, four years of unrelenting efforts have finally been rewarded.

Clockwise, beginning at top left—Most Flirtatious: Rene Meyers and Rick Ripley; Most Popular: Kathy McGrath and Ev Mackey; Most Likely to Succeed: Rory Dunbar and Rob Evans; Most Intelligent: Kathy Bell and John Smith; Most Humorous: Gaye Tegerdine and Mike Richards; Most Spirited: Marylou Amos and Bob Nelson; Best Looking: Darey Hutmacher and Bill Moon; Best Dressed: Sherry Renker and Barry Ewing.

Left: Most Dependable—Judy Lewon and Art Diaz.

Right: Mr. and Miss TOHS—Pam Droney and Mike Howard.

Left: Most Athletic—Diane Tooker and Brad Baier.

Right: Mr. and Mrs. TOHS teacher — Mrs. Brown and Mr. Andrews.

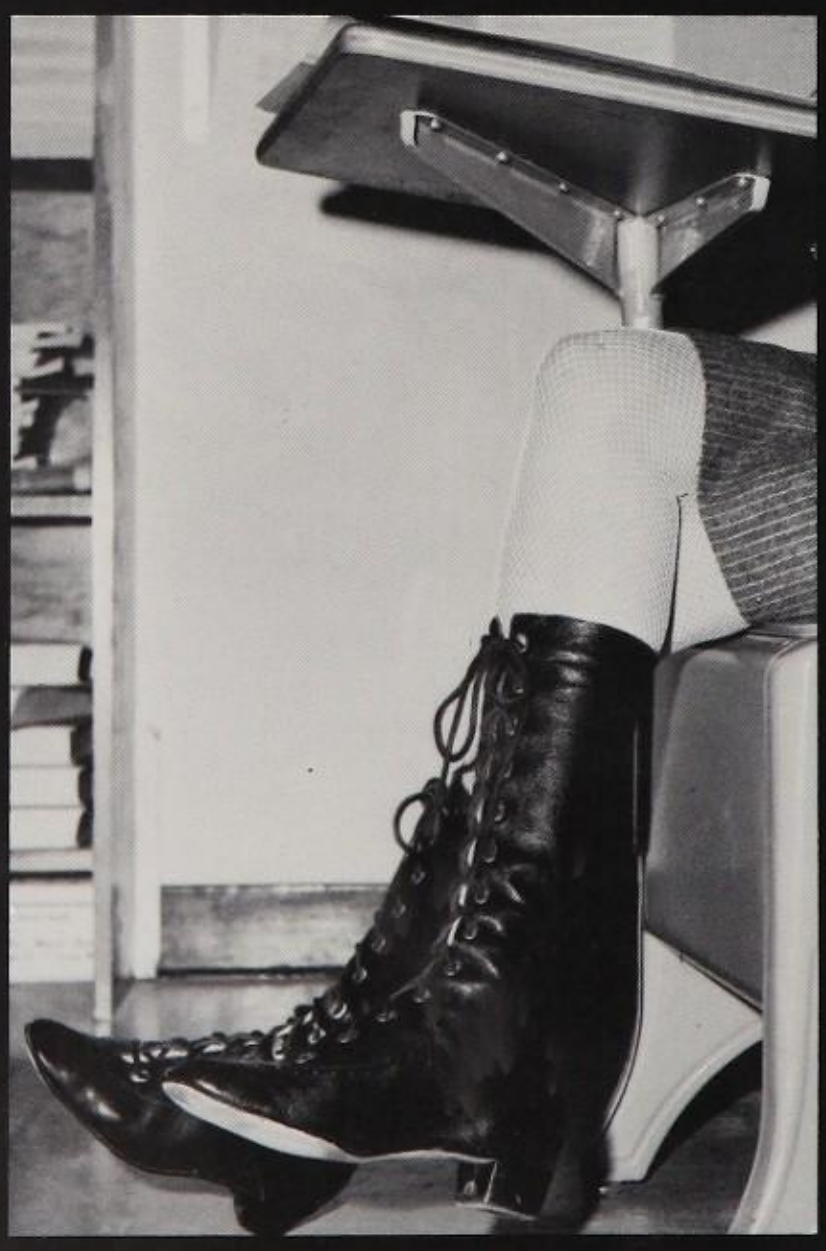
It's a fast paced world with lots of action for the swinging fashion crowd. It's the scene. It's what's happening.

Young. You. Unique. Cool. Bold. Sassy one day, sophisticated the next, but constantly exciting!

Avidly we read what THEY are wearing, frantically we shorten hems according to what THEY say. What's IN? What's OUT?

The mood of fashion is young. Textured stockings, Op Art dresses, Pop Art dresses; round toes, pointed toes; poor boys, rich boys; boots, sandals—all total up to an exciting kaleidoscope of fashion.

Seniors Roberta Harden, Barry Ewing, Mike Fullerton, Lene Holland and Sue Crandall—leading exponents of the mod fashion on the TOHS campus—model examples of the new wave in clothing.



An Exciting Kaleidoscope Of Color-
The Swinging Campus Fashions At TO

After five days of suffering through classes in the daytime and enduring the drudgery of homework at night, the students at Thousand Oaks High are more than ready to spend a night out. More often than not, they take the maximum advantage of the weekend and find ways of filling the late night and early morning hours of both Friday and Saturday. This fact can easily be proven by stepping into one of the popular T. O. hangouts at approximately 11:00 at night. Whether it's getting your fingers greasy on pizza or dancing, students are able to find a means of diversion to prepare them for facing the prospect of five more days of torture.

Lancers Enliven Local Hangouts

MacDonald's, Orlando's, Dupar's—these are a few of the places where T.O. students go to unwind. If the appetite is gone, there's always the beat of the drums at the Rec.

Clockwise, beginning at top left: Rally Committee, led by Michelle Fallon, clowns it up; Mrs. Brown and fellow suffragettes celebrate Susan B. Anthony Day; Girls work frantically to finish a parade entry; Sue Clark smiles graciously while Debi Hinton steadfastly pursues her work on Sophomore float; Pete Stemmerman draws a comment from an unseen friend; Students expound their views at an individuality rally; Eager drama student takes off on a Peter Pan-type flight.

The close of the school year marks the presentation of the 1967 **Lancer Legend.** This year we gave the book the theme of the "Mod" generation; what students do off and on campus. I would like to thank the staff and especially Mr. Chuck Andrews, our advisor, who spent so much of his own time and energy to make this book possible. Also the **Lancer Legend** wishes to extend their appreciation to Mr. Viga Hall, the company representative, the O'Connor Brothers for their great photography, and the Conejo News-Chronical for candid pictures.
